Guidelines for the Event

8th PEC TECH. EXPO 2022

**Organized by: Pokhara Engineering College.
Venue: College Premises Pokhara-08, Kaski.**

Background

Pokhara Engineering College has been organizing the event every two years since 2002, focusing on various technical aspects, practicing the theme 'Learning by Doing methods'. The prime attempt of the expo is to enhance engineering and architectural students' intellectual capacity and creativity. Initially this event was named by PEC Expo, however the main motto was to enhance technical study and research oriented developments program, later in 2020 the event name was updated to PEC TECH. EXPO. Continuing the trend, various students' projects will be demonstrated and competed as well on the two days program from different architectural, engineering and technical institutions.

Regulations

Organizer

The event is organized by Pokhara Engineering College.
